HELP DEVOTEES BREATHE...

The 2nd wave of Covid has hit
Mayapur & Bangladesh Yatras
Even Harder !

Shri Dham Mayapur

A man in an orange shirt and blue face mask is shown from the side, pouring water from a golden pot onto a statue. The statue is covered in ornate blue and gold fabric. The background is a hazy, overcast sky with some buildings visible in the distance.

A vibrant community of 7000 devotees and 65000 Dham Vasis is dealing with both, loss of lives and livelihoods.

A photograph showing a long line of women and children in a rural village. Many of the women are wearing face masks and carrying pots, suggesting they are waiting for food relief. The scene is set in a simple, possibly impoverished, environment with basic buildings in the background.

And in Bangladesh...

**Thousands of devotee families
need urgent food relief assistance.**
